

## MEETINGS

The Association holds its monthly meeting on the first Friday of each month on the 4<sup>th</sup> floor of McMaster Hall at the University of Toledo at 7:30 PM. On occasion the meeting is rescheduled because of a holiday or moved to a different location, so that it is useful to call check the website to confirm. The meetings consist of a lecture or presentation on an astronomical topic, frequently by members of the Astronomy faculties of the University of Toledo or Bowling Green State University. In addition any business necessary for the operation of the association will be conducted at these meetings. **The meetings are open to the public without charge.**

**The Association does charge dues of \$30.00 per year. These are used to pay for maintenance and insurance on the telescopes.**

## Educational Programs

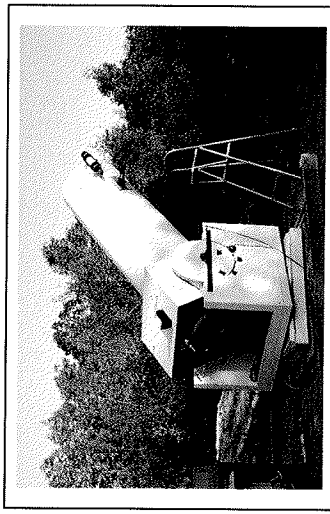

The Association is willing to provide viewing programs for groups of individuals either at Pioneer or at a location of the group's choosing when personnel and equipment are available. The Association does not charge for these programs. For programs at Pioneer there may be a nominal charge for the use of the camp facility.

Arrangements can be made at Pioneer for meals in the dining hall.

Any program requires substantial prior notice so that personnel and equipment can be available.
